## **TITAN Technology Partners Acquires Sinmax Global**

CHARLOTTE, NC - (May 15, 2008) – TITAN Technology Partners, a global provider of hosted and managed industry solutions, today announced it has acquired Sinmax Global, a business intelligence (BI) and Enterprise Performance Management (EPM) consulting firm with operations in Singapore and Chennai, India. Sinmax Global will be rebranded as TITAN Sinmax and brings competencies in all of the major platforms including Hyperion®, Cognos®, Business Objects®, IBM® WebSphere® DataStage® and OutlookSoft®.

From its base in Singapore, Sinmax serves clients globally in North America, Asia and the Middle East. The acquisition further expands TITAN's capabilities to support its global clients as well as establish its BI/EPM Global Center of Excellence.

“The Sinmax Global acquisition continues our expansion and capabilities as a global provider. This team brings an exceptionally talented group focused on business intelligence and performance management. The addition of Sinmax Global makes TITAN one of the largest performance management practices in the industry.” stated Michael A. Vadini, CEO and Founder of TITAN Technology Partners.

“TITAN Technology Partners provides us the ability to unlock the inherent synergy between enterprise resource planning and business intelligence systems and is a natural fit to provide complete reporting & performance management solutions for our clients.” stated Sanjay Kothary, Co-Founder and Director of Sinmax Global. “Combining TITAN's and Sinmax Global's performance management strengths will enable us to support our clients' drive for operational excellence. We are thrilled to join such a respected organization to leverage the ERP investments made by our clients and to expand TITAN's offerings.”

Sanjay Kothary has been appointed Global Managing Director of BI Business Development. Prior to the acquisition, Mr. Kothary served as the Director and a Co-Founder of Sinmax Global and brings over 20 years experience in founding, growing and managing software companies and has built Sinmax Global into a highly respected BI/EPM consulting firm throughout the APAC region. Prior to joining Sinmax, Sanjay also served as Managing Director for South East Asia and India for Hyperion. Prior to this, Sanjay was involved in starting up and running software companies in the area of treasury management systems and banking applications.

Muralidharan Govindarajan has been appointed Global Managing Director of BI Technology. Mr. Govindarajan brings over 20 years experience in providing technology solutions focused around performance management. Prior to the acquisition, Mr. Govindarajan was the Technical Director and a Co-Founder of Sinmax Global. Prior to this, Mr. Govindarajan spent nine years with Standard Chartered Bank in Singapore as the Chief Technology Officer focused on performance management, business intelligence, data warehousing, reporting and analytics.
