TITAN Technology Partners and Pinnacle Combine to Create Oracle Hyperion Industry Leader

CHARLOTTE, NC - (August 18, 2008) – TITAN Technology Partners, a global provider of consulting and outsourced industry solutions, today announced it has acquired Pinnacle Group Worldwide, a global consulting firm specializing in Oracle's Hyperion® financial system solutions primarily to Fortune 1000 clients. Pinnacle Group Worldwide was founded in 1995 and is a two time member of Inc. magazine's fastest growing privately held companies published as the Inc.500.

The powerful combination creates the leading services provider of Hyperion solutions, with over 350 Hyperion clients served globally by a team of over 125 dedicated Hyperion professionals. The acquisition strengthens TITAN's position as an elite provider of Enterprise Resource Planning (ERP) and Enterprise Performance Management (EPM) solutions to its global clients.

From its base in New York City, Pinnacle Group Worldwide serves clients throughout the Americas and Europe. Additionally, Pinnacle adds several innovative software solutions for Hyperion and a Hyperion Development Center in Central America to compliment TITAN centers in India, Singapore, and the USA.

"The addition of Pinnacle Group Worldwide in combination with our recent acquisition of Sinmax Global creates a special Hyperion consulting practice capable of planning, building, hosting, and managing Hyperion worldwide," stated Michael A. Vadini, CEO and Founder of TITAN Technology Partners. "The synergies from this strategic acquisition and the exceptionally talented group of professionals from Pinnacle will help TITAN accelerate our vision to maximize the value our clients seek with ERP and EPM solutions in executing their business strategies."

"TITAN Technology Partners provides us the ability to unlock the inherent synergy between EPM and ERP and is a natural fit to enhance our value proposition with our respective clients," stated Michael Fuori, Co-Founder and Senior Partner of Pinnacle Group Worldwide.

"Combining TITAN's and Pinnacle's strengths will enable us to better support our clients' drive for business performance through enterprise solutions. We are thrilled to join TITAN and look forward to leveraging the technology investments made by our clients to improve their operations and to expand TITAN's offerings with innovative solutions," stated Andrew Jorgensen, Co-Founder and Senior Partner of Pinnacle Group Worldwide.

Andrew Jorgensen has been appointed Senior Vice President of Enterprise Performance Management (EPM). Prior to the acquisition, Mr. Jorgensen was a Co-Founder and Senior Partner of Pinnacle Group Worldwide and brings over 18 years experience in implementing and deploying performance management solutions. Prior to co-founding Pinnacle Group Worldwide, Andrew served in the consulting practice for Hyperion. Prior to this, Andrew was focused on delivering performance management solutions in the Financial Services industry.
