## **TITAN Technology Partners Continues Global Expansion and Record Performance in 2008**

CHARLOTTE, NC - (January 30, 2009) – TITAN Technology Partners, a global provider of consulting and outsourced industry solutions, today announced that 2008 revenue grew by nearly 14% compared with 2007. TITAN continued its global expansion into Asia and added capabilities to its Oracle Hyperion Enterprise Performance Management practice through the acquisition of Pinnacle Group Worldwide. TITAN achieved nearly all 2008 annual operating objectives in focus areas including Financial, Quality, Practice and People. TITAN added over 50 new global clients across all practices, over fifteen new outsourcing contracts, and continued expansion of TITAN HCM BPO capabilities, both in North America and at its offshore operations in India to support global contracts.

“We are pleased with our results in 2008 and continue to focus on servicing our global clients while adding new capabilities to improve our value proposition.” said TITAN Founder and CEO Michael A. Vadini. “We met most of our strategic objectives in 2008. This year we will expand our presence in Europe and continue to strengthen our operating and delivery model globally.”
