TITAN Technology Partners Acquires UK Based Intalec

CHARLOTTE, NC - (February 06, 2009) – TITAN Technology Partners, a global provider of consulting and outsourced industry solutions, today announced it has acquired the business of UK based Intalec Partnership LLP. Intalec operations will be renamed TITAN Technology Partners. Intalec is a respected consulting and managed services provider focused on delivering SAP industry solutions to clients throughout Europe in growing industry segments including Business Services, Manufacturing, and Financial Services. The acquisition expands TITAN's footprint in Europe for TITAN's global client base and expands TITAN's industry offerings for SAP. The acquisition will enable Intalec clients to leverage the entire breadth of TITAN capabilities from IT Strategy, Hosting, Education Services/Training, Corporate Performance Management, and other ERP-based platform solutions.

“The Intalec acquisition continues TITAN global expansion with an exceptionally talented team based in the United Kingdom, but able to reach all of Europe and the Middle East. Our combination is another key step towards our continued development as an elite global organization,” stated Michael A. Vadini, CEO and Founder of TITAN Technology Partners.

James Crossley has been appointed Senior Vice President Corporate Administration, Europe. Prior to the acquisition, Mr. Crossley was a co-founder and served as a Designated Partner of Intalec, bringing over 20 years experience in providing technology solutions to middle-market firms. He and his team built Intalec into a highly respected SAP solution provider throughout the European market, becoming one of only three SAP Gold Partners in the UK. “The acquisition of Intalec by TITAN Technology Partners combines the professionalism and talent of our consulting team with ability to plan, design, build, host, and manage SAP solutions globally through TITAN,” stated Mr. Crossley. “Now we can provide our clients seamless support of their SAP environment from the UK to the Americas to Asia Pacific, all on a unified platform.”

Julian Page has been appointed Senior Vice President, SAP Sales in Europe. Mr. Page also brings over 20 years sales and management experience in providing technology solutions primarily focused on clients running SAP. Prior to the acquisition, Mr. Page was a co-founder of Intalec and a Designated Partner. Mr. Page also managed business development for the company.
