TITAN Technology Partners Lands Suerken To Lead European Operations

CHARLOTTE, NC (February 27, 2009) - TITAN Technology Partners, a global provider of consulting and outsourced industry solutions, today announced Ralf Suerken has joined TITAN as Senior Vice President to lead TITAN's European Operations.

“Mr. Suerken’s joins an exceptionally talented team in Europe. His global leadership experience is a key element towards serving our global clients,” stated Michael A. Vadini, Founder and CEO of TITAN Technology Partners. “We expect Ralf’s leadership to accelerate our continued growth in the European market as we continue our development as an elite global organization.”

Mr. Suerken has a twenty year successful track record in enterprise software and solutions for both private and publically traded organizations in various leadership roles including CEO and General Manager for various organizations. Prior to joining TITAN, Mr. Suerken served as General Manager of SoftBrands’ manufacturing division. Prior to Softbrand’s, Ralf served in various executive leadership roles at Portal Software and also co-founded Itelligence America, serving as CEO.

Mr. Suerken is a certified computer scientist with a degree from University of Paderborn, Germany.
