Julie Jacobs Joins Board For the Hyperion Special Interest Group of OAUG

CHARLOTTE, NC - (July 6, 2009) – TITAN Technology Partners, a global provider of hosted and managed industry solutions, today announced Julie Jacobs has joined the board for the Hyperion Special Interest Group of Oracle Application Users Group (OAUG). Ms. Jacobs' primary focus will be expanding the Hyperion community of users for OAUG's Hyperion Special Interest Group.

“As a global EPM and ERP consulting and outsourcing provider, TITAN Technology Partners has a vested interest in a strong Oracle and Hyperion community,” said TITAN Vice President of Sales, EPM, Julie Jacobs. “OAUG provides many benefits to the Hyperion community of users. I look forward to reaching out to the Hyperion community so that they can take advantage of the many OAUG benefits.”

Ms. Jacobs joined TITAN Technology Partners in 2008 through the acquisition of Pinnacle Group World Wide, a provider of Hyperion consulting and hosting services which she joined in 2005. Ms. Jacobs, a Certified Public Accountant previously has held several executive financial positions where her responsibilities included finance, accounting, planning and budgeting.

TITAN's Oracle practices have a successful record of large scale project engagements with companies worldwide, across numerous industries. TITAN is an Oracle Certified Advantage Partner™, and our Oracle practices provide strategy, consulting, training, and outsourcing services for the Oracle®, Hyperion®, PeopleSoft®, and JD Edwards's® family of applications.

About TITAN Technology Partners

TITAN Technology Partners, a global provider of consulting and outsourced industry solutions and Certified Advantage Partner in the Oracle Partner Network.

About Oracle Applications Users Group (OAUG)

Founded in 1990, the Oracle Applications Users Group (OAUG) is the world's largest user knowledgebase for Oracle Applications users. The organization serves as an advocate to Oracle Corp. for companies worldwide, including more than 35 percent of the companies on the Fortune 100 list. The OAUG also serves users of more than 65 Oracle Applications products including Oracle Fusion Applications, Oracle E-Business Suite, PeopleSoft Enterprise, Agile, Hyperion, Oracle Retail, Oracle Communications, Siebel CRM and others. The OAUG provides users with education, networking and support via a wide range of activities and forums including conferences, publications, special interest groups, online communities and the Knowledge Factory, a community-driven knowledge resource for Oracle Applications users.

Special Interest Groups (SIGs) serve as forums to collect and discuss user requirements and interests on specific issues and areas within Oracle Applications. SIGs focus on specific areas of Oracle Applications, working to improve and enhance these areas through group consensus. SIGs represent the interests of the user community as a whole. For more information about OAUG, visit the Web site at oaug.org.
